```

■ Exemple de Template (chatgpt/writing/blog-post.md):

```
# Blog Post Writing Template ## Basic Blog Post ``` You are an expert content
writer specializing in [NICHE]. Write a comprehensive blog post about [TOPIC]
that: - Is 1500-2000 words - Targets [AUDIENCE] - Includes: * Engaging
introduction with a hook * 5-7 main sections with H2 headers * Practical
examples and actionable tips * SEO-optimized content * Strong conclusion with
CTA Tone: [Professional/Casual/Technical] Style:
[Informative/Persuasive/Educational] Topic: [YOUR TOPIC HERE] ``` ##
SEO-Optimized Blog Post ``` You are an SEO expert and content writer. Create
a blog post optimized for the keyword "[KEYWORD]" that: - Target keyword
density: 1-2% - Includes H2 and H3 headers with keyword variations - Meta
description (155-160 characters) - Internal linking opportunities (mention
3-5 related topics) - External linking to authoritative sources - FAQ section
with long-tail keywords Primary keyword: [KEYWORD] Secondary keywords:
[KEYWORD 2], [KEYWORD 3] Audience: [AUDIENCE] ``` ## Variables - **[NICHE]**:
Your industry (e.g., "SaaS marketing", "fitness") - **[TOPIC]**: Specific
subject - **[AUDIENCE]**: Target readers - **[KEYWORD]**: Main SEO keyword ##
Tips 1. Always specify word count for consistency 2. Define tone and style
clearly 3. Request specific sections if needed 4. Ask for examples to make it
actionable 5. Iterate: Get outline first, then expand ## Example Usage For a
blog post about "AI tools for productivity": ``` You are an expert content
writer specializing in productivity and AI. Write a comprehensive blog post
about "10 AI Tools That Will 10x Your Productivity" that: - Is 2000 words -
Targets busy professionals and entrepreneurs - Includes: * Hook: A compelling
stat about time wasted * 10 tool reviews (each 150-200 words) * Comparison
table * Pricing information * Real-world use cases * CTA: Link to full
reviews Tone: Professional but enthusiastic Style: Informative with
actionable insights ``` --- **Source**: GenuisNet.ai Prompt Templates
